Authors who publish with this Journal agree to the following terms. If a submission is rejected or withdrawn prior to publication, all rights return to the Authors:

1. Authors transfer copyright of the Work to the Publisher with the Work simultaneously licenced under a Creative Commons Attribution 4.0 Licence (CC BY 4.0) that allows others to share the Work with an acknowledgement of the Work's authorship and initial publication in this Journal.

4. Authors are permitted and encouraged to post their Work online (e.g. in institutional repositories or on their website) prior to and during the submission process, as it can lead to productive exchanges, as well as earlier and greater citation of published Work.
5. Authors agree to pay an article publishing charge (APC) at the point the Work is accepted for publication by the Journal. The APC is charged based on the affiliation of the corresponding author. This term ONLY applies to the following types of Work: Original Article (OA), Review Article (RA), Brief Communication (BC) and Special Communication (SC).
6. Authors are responsible for obtaining from the copyright holder permission to reproduce any materials for which copyright exists. Upon Publisher's request, the Authors agree to furnish promptly to Publisher, at the Authors' own expense, written evidence of the permissions, licences and consents for use of third-party material included within the Work.
7. Submitting to the Journal implicitly confirms that all named Authors and rights holders have agreed to the above terms of publication. It is the corresponding author's responsibility to ensure all Authors and relevant institutional bodies have given their agreement at the point of submission.
